★Course Policies:

1. Attendance:

It is critical that students attend classes regularly, and you must be on time for classes. If you know you're going to miss a class in advance and want to see the class video, ask the instructor to record the class.

2. Assignments:

Assignments must be sent to the instructor **before class** on the due date for full points (10 points for one page). If you send them after the deadline by the next class, you will receive half points, and no point will be given after that. If there are many blanks or mistakes, you will get "R" (=Re-do). If you get it, you have to make corrections and send it by the next class for full points.

Please take pictures for each page and e-mail them to: ykwnkgu@yahoo.co.jp

* "Office Lens" is useful to take pictures.

★A Few Words of Advice:

1. Make sure to keep up with daily preview, review, and assignments. **You are expected to read the grammar explanations in the textbook beforehand.** Come to class well- prepared for effective learning.

2. Memorization is the key to become a successful language learner. To memorize vocabulary and characters, read aloud and write them many times. Also, make sure to learn them in context; you must know how to use them. Try to make your own example sentences.
3. Use audio materials and useful online materials for your practice:
Drill practice with audio materials is very important to improve your pronunciation and accent as well as the grammatical accuracy and listening skills. Practice vocabulary, dialogues and drills in each lesson by yourself before/after class. Try to mimic Japanese sounds and intonation patterns as accurately as possible.
