[Learning Assessments]

Homework: 10% Portfolio: 5% Presentations: 10% Quizzes: 10% Unit Tests: 20% Project Work: 10% Final Exam: 30% Class Performance: 5%

Homework: The course schedule includes homework due dates. Read it carefully and submit your homework. Homework is accepted at the beginning of the class. After that, it will be considered "late". For a late submission, there will be a 50% deduction if submitted before the next class starts. If submitted in or after the next class, no points will be awarded. Also, there will be a deduction if homework is incomplete, or if homework does not reflect your mastery of the subject.

Portfolio: You will be asked to make your own portfolio to keep your record of learning Japanese.

Presentations: In each unit, you will be asked to give a short presentation related to the topic of the lesson.

Quizzes: You will have two vocabulary quizzes for each unites. No make-up quiz is allowed.

Unit Tests: There will be two unit tests throughout the semester to assess your understanding of the lesson material. Each Unit test will consist of sections on grammar, reading, writing, listening, and kanji readings. Specific details for each section will be provided in class.

Project Work: You will participate in a project with other classmates. A project is a real life task, which will require you to have interviews, writing articles, giving presentations, etc. in Japanese. To complete the task is a requirement to complete this course. Details will be provided in class.

Final Exam: A cumulative final exam will be scheduled during the final week. Details

2024 Fall Semester

will be provided in class.

Class Performance: Active participation in class is essential for creating a productive learning environment. Please refrain from activities that might hinder your engagement, such as using smartphones or engaging in unnecessary conversations with classmates. If you don't actively participate, your "class participation" evaluation may be negatively affected. Additionally, tardiness or absence can also impact your participation in class, as it reduces the time you spend engaged in the learning process. Please be mindful of this.
