1. NO MAKE-UP quizzes will be given, but the lowest score will be dropped from the grade. In case of unavoidable problem, inform the instructor in advance. (Absence owing to serious illness accompanied by a medical certificate may be taken into consideration.) The lesson tests and examinations schedules will NOT be re-scheduled for any reason.
2. Make sure to keep up with daily preview/review. **You are expected to read the grammar explanations in the textbook and watch a video beforehand, so please check your schedule carefully. For example, before the first class, you need to watch a video of "Greetings" and "Hiragana (A-TO)" to be familiar with them.**
3. Memorization is the key to become a successful language learner. To memorize vocabulary and symbols, read aloud and write them many times. Also, make sure to learn them in context; you must know how to use them. Try to make your own example phrases/sentences.
4. Use audio/online materials, and mobile apps for your practice. Try to mimic Japanese sounds and intonation to improve your pronunciation as well as the grammatical accuracy and listening skills.
